You're Beautiful

James Blunt

My life is brilliantMy life is brilliant My love is pure I saw an angel Of that I'm sureShe smiled at me on the subway She was with another man But I won't lose no sleep on that 'Cause I've got a plan You're beautiful, you're beautiful You're beautiful, it's true I saw your face in a crowded place And I don't know what to do 'Cause I'll never be with youYes, she caught my eye As we walked on by She could see from my face that I was fucking high And I don't think that I'll see her again but We shared a moment that will last 'till the endYou're beautiful, you're beautiful You're beautiful, it's true I saw your face in a crowded place And I don't know what to do 'Cause I'll never be with you You're beautiful, you're beautiful You're beautiful, it's true There must be an angel with a smile on her face When she thought up that I should be with youBut it's time to face the truth I will never be with you
