

Can't Explain It (feat. Charlie Wilson)

CHIKA

Hey man, she sittin' there lookin' at me! Yeah
Walked into the party and I spot a shawty, she
holdin' a beer
And she turned and smiled, yeah I know that she got here before me
But looked like her pupils are clear
I've been cravin' a sober connection
Confession, I knew that she'd prolly be here
Because durin' the week when she all up and stressin'
And callin' and textin', I tend to appear I got a fetish for takin' her problems away
So whenever I'm leavin' she want me to stay
I've been lookin' for gumption and tryna be brave
But when I'm around you I just cannot behave
The world is so full of production, I think she alone acapella
So I'm nervously runnin' through ways in my mind, 'til I find a good way I can tell her
I really like what you've done to me
I can't really explain it
I am so into you
Really like what you've done to me
I can't really explain it
I am so into you (Yuh) I know you sick of the fake (Woah)
We can just dip out the place
Take you to dinner, we fill up our tate (Oh-oh yeah)
Rarely the one who can make a mistake
I got decisions to make, am I a cannibal?
Look like an animal and she just told me she wanna get ate
Dammit that look like a lot on my plate, yeah
And you fuckin' with a genius but they call me up-n-comer (Call me)
Beat the pussy up it's like an irritated drummer
I'm a lady killer but I'm in there as a lover
Give a little bit but you will never want another (Yeah)
I think you out of this world
Think you becomin' my favorite girl (Woo)
We got a vision, got me on a mission
Make me wanna trade all my diamonds for pearls, yeah I really like what you've done to me
I can't really explain it (Done, done, yeah, yeah)
I am so into you
Really like what you've done to me
I can't really explain it
I am so into you She lookin' hot, uh
Pricey and I gotta come, yeah
Keep it on lock, yeah
Think I'ma give her the rock, yeah (Oh)
Tuggin' my heart, yeah (Oh wee)

Promise me you'll never stop, yeah
Claimin' your spot, yeah (Yeah)
You at the top, yeah (Yeah, yeah) Give me a night, uh
Give me as much as you got, yeah (Ooh wee)
I'll take a little, uh (I'll take a little)
I don't need a lot (Yuh)
Don't make me start, yeah
Look at you like you some art, uh (Yeah, yeah)
Just like I thought, yeah
You are the one I really like what you've done to me
I can't really explain it
I am so into you
Really like what you've done to me
I can't really explain it
I am so into you (Yeah) Oh wee
No, oh-oh, no, yeah
Yeah, yeah
That's CHIKA, nigga
