

Skipping Stone

Amos Lee

I don't know if I can do this alone
Oh after all our sweet love has flown
I've been runnin'
I've been skipping like a stone
And I don't know if I can do this alone When I met her she was standing by a door
I ain't never seen a light like that before
Now she's left me for something more sure
And I don't know if I can do this anymore
Lovers will come
Lovers will go
And it's a rare seed
From which true love might grow
And if you see her won't you please say hello
Cause I don't know if I can do this alone
