

# Baby That's Backatcha

Smokey Robinson

I put a song in your heart, so you say  
Sing it out, let the world know what it's all about  
If I make it possible for the impossible  
To happen for you like you say, heyBaby, that's backatcha  
Baby, that's the same thing you do for me  
Baby, that's backatcha  
Oh, baby, that's tit for tat  
I'm givin' you this for thatYou're flyin' high with your head in the clouds  
Trouble comes along to bust your bubble  
It's not incredible when I make it credible  
Things seem much better for you  
Baby, that's backatcha  
Baby, that's the same thing you do for me  
Baby, that's backatcha  
Oh, baby, that's tit for tat  
I'm givin' you this for thatBaby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatchaBaby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatcha[Incomprehensible] and so, oh, baby, yeah  
What it is exactly, you don't know what it is  
So when you feel it, don't try to conceal it, no  
Just let it happen for you  
Baby, that's backatcha  
Baby, that's backatcha  
Baby, that's backatcha
