

# I Got a Thang For You (Feat. Keyshia Cole)

Trina

Ladies  
(Yeah?)  
Have you eva had a thang for somebody  
And it was just so deep And you wanted to tell him so bad  
(Yeah, yeah, yeah)  
But you just couldn't find the words?  
Listen I gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, for you I gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, baby you know  
I gotta thang for you and it hurts me  
'Cause I'm holdin' back I'm so thirsty  
When I open wide, you betta work inside  
But promise that you won't hurt me With here we go, here we go again  
'Cause I ain't got time for lies  
This time ain't lookin' for a friend I need a man that's gon' wine & dine me  
Every time you look you find me  
Bellhoppin', he buyin' me  
And plus he all mine see He Brad Pitt, I'm Jolie  
When we together we always sing  
K-I-S-S-I-N-G  
I gotta thang for you, so how you feel 'bout me?  
I gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, for you I gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, baby you know Damn you got me wide open  
And I know you sayin' that I'm jokin'  
'Cause tha boys in tha past, they just couldn't last  
But for some reason I think u been chosen Heaven sent, don't wanna walk away  
Just hold me tightly up in you arms  
And tell me everyday That you ain't neva gon' leave me heartbroke  
Promise to give a good long stroke  
Boy this for real and this ain't no joke  
Thought I was dreamin' but I know I'm woke What you done did that got me so gone?  
Feels so right that this can't be wrong  
Hangin' up and right back callin' yo phone

Cause I go crazy when I hear ya voice tone, ahAnd you know I can't wait to see your face  
again, again boy  
And you know I'm hopin' we can work this thing outEvery time that I'm alone I'm thinkin' 'bout  
us

And where we could be that's how I know  
I gotta a thang for you babyI gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, for youI gotta thang for you baby you know  
Don't wanna take it slow, I wanna get to know ya  
Don't wanna play no games, listen to what I'm sayin'  
I gotta thang for you, baby you knowThe way you love me, the way you love me  
The way you touch me, the way you touch me  
The way you love me, the way you love me  
The way you touch me, the way you touch me
