

Who's Gonna Ride Your Wild Horses

Garbage

You're dangerous 'cause you're honest
you're dangerous, you don't know what you want
well you left my heart empty as a vacant lot
for any spirit to hauntHey hey sha la la
hey heyYou're an accident waiting to happen
you're a piece of glass left there on the beach
well you tell me things i know you're not supposed to
then you leave me just out of reachHey hey sha la la
hey hey sha la laWho's gonna ride your wild horses
who's gonna drown in your blue sea
who's gonna ride your wild horses
who's gonna fall at the foot of thee
Well you stole it 'cause i needed the cash
and you killed it 'cause i wanted revenge
well you lied to me 'cause i asked you to
baby, can we still be friendsHey hey sha la la
hey hey sha la laWho's gonna ride your wild horses
who's gonna drown in your blue sea
who's gonna ride your wild horses
who's gonna fall at the foot of theeOh, the deeper i spin
oh, the hunter will sin for your ivory skin
took a drive in the dirty rain
to a place where the wind calls your name
under the trees the river laughing at you and me
hallelujah, heavens white rose
the doors you open
i just can't close
Don't turn around, don't turn around again
don't turn around, your gypsy heart
don't turn around, don't turn around again
don't turn around, and don't look back
come on now love, don't you look backWho's gonna ride your wild horses
who's gonna drown in your blue sea
who's gonna taste your salt water kisses
who's gonna take the place of meWho's gonna ride your wild horses
who's gonna tame the heart of thee
