

This Is How We Roll

Cole Swindell

Ohh, Thats how the whole crew rolls right here Oh yeah The mixtape's got a little Hank, little
Drake

A little something bumping, thump, thumping on the wheel ride

The mix in our drink's a little stronger than you think

So get a grip, take a sip of that feel right

The truck's jacked up, flat bills flipped back

Yeah, you can find us where the party's at This is how we roll

We hanging round singing out everything on the radio

We light it up with our hands up

This is how we roll

This is how we do

We're burning down the night shooting bullets at the moon, baby

This is how we roll

Yeah, baby, this is how we roll

We rollin' into town

With nothing else to do we take another lap around

Yeah, holler at your boy if you need a ride

If you roll with me, yeah, you know we rollin' high

Up on them 37 Nittos, windows tinted hard to see though

How fresh my baby is in the shotgun seat, oh

Them kisses are for me though, automatic like a free throw

This life I live it might not be for you but it's for me though This is how we roll

We hanging round singing out everything on the radio

We light it up with our hands up

This is how we roll

This is how we do

When the world turns ugly I just turn and look at you, baby

This is how we roll

Let's roll!

We're proud to be young

We stick to our guns

We love who we love and we wanna have fun

We cuss on them Mondays

And pray on them Sundays

Pass it around and we dream of that one day This is how we roll

We hanging round singing out everything on the radio

We light it up with our hands up

This is how we roll

This is how we ride

We slingin' up the mud, cuttin' through the countryside, baby

This is how we roll

Yeah Yeah, this is how we roll

You know, you know, this is how we roll
This is how we do
We're burning down the night shooting bullets at the moon, baby
This is how we roll
Yeah, this is how we roll
