

This Is Me

Jonas Brothers & Demi Lovato

I've always been the kinda girl that hid my face
So afraid to tell the world what I've got to say
But I have this dream right inside of me
I'm gonna let it show, it's time to let you know, to let you know This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me
Now I've found who I am, there's no way to hold it in
No more hidin' who I wanna be, this is me, yeah Do you know what it's like to feel so in the
dark?
To dream about a life when you're the shining star
Even though it seems like it's too far away
I have to believe in myself, it's the only way
This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me
Now I've found who I am, there's no way to hold it in
No more hidin' who I wanna be, this is me You're the voice I hear inside my head, the reason
that I'm singing
I need to find you, I gotta find you
You're the missing piece, I need the song inside of me
I need to find you, I gotta find you This is real, this is me
I'm exactly where I'm supposed to be now
Gonna let the light shine on me
Now I've found who I am, there's no way to hold it in
No more hiding who I wanna be
This is me
You're the missing piece, I need the song inside of me
This is me, yeah
You're the voice I hear inside my head, the reason that I'm singing
Now I found who I am, there's no way to hold it in
No more hidin' who I wanna be, this is me
