## Riton & Kah-Lo

Three, six, nine  
Girls wanna drink wine  
Tell the man not to waste your time  
If the man broke, the man he a joke  
So you gotta get loose with the henny and the coke Three, two, one  
Girls wanna have fun  
If the man don't dance, he's done  
Tell him move on, get the man gone  
Now can I get a coke with my rum Three, six, nine  
Girls wanna drink wine  
Tell the man not to waste your time  
If the man broke, the man he a joke  
So you gotta get loose with the henny and the coke  
Three, two, one  
Girls wanna have fun  
If the man don't dance, he's done  
Tell him move on, get the man gone  
Now can I get a coke with my rum (Yeah, yeah) Three, six, nine
