

Let's Chill

Guy

Let's chill
(Ho, ho, baby, hey... hey... ya.)
Let's chill
(Let's chill, baby) From the first time I saw your face
Girl I knew I had to have you
I wanted to wrap you with my warm embrace
Visions of your lovely face All my love is for you
Whatever you want I will do
You're the only one I want in my life
For you I'll make that sacrifice, ho Let's chill
And Let's settle down (and That's what I want)
And That's what I wanna do (Just me and you)
Just me and you (Baby)
Let's chill (Let's chill)
and Let's settle down (Come here, baby)
and That's what I wanna do (That's all, that's all)
Just me and you I'm so happy to have you here
Standing right by my side
Is it a dream (Is it a dream) or reality (reality)
If it's a fantasy, please don't wake me All my love is for you
