One Sweet Day

Boyz II Men & Mariah Carey

Sorry I never told you
All I wanted to say
And now it's too late to hold you
'Cause you've flown away
So far away
Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be togetherOne sweet day
Darling, I never showed you
Assumed you'd always be there
I took your presence for granted

I took your presence for granted But I always cared

And I miss the love we shared
And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day

Although the sun will never shine the same
I'll always look to a brighter day
Lord I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining down on me from Heaven
Like so many friends we've lost along the way
And I know eventually we'll be together

One sweet day

And I know you're shining down on me from Heaven

I ike so many friends we've lost along the way.

Like so many friends we've lost along the way
And I know eventually we'll be together
One sweet day
Sorry I never told you
All I wanted to say
