Father Figure

George Michael

That's all I wanted

Something special something sacred in your eyes
For just one moment to be bold and naked at your side
Sometimes I think that you never understand me (understand me)

Maybe this time is forever say it can be

W-h-o-a...

That's all you wanted

Something special someone sacred in your life
Just for one moment to be warm and naked at my sideSometimes I think that you never
understand me (understand me)

But something tells me together we'd be happy

W-h-o-a baby

I will be your father figure

Oh baby

Put your tiny hand in mine

I will be your preacher teacher

Be your daddy

Anything you have in mindI will be your father figure

I have had enough of crime

Except me

I will be the one who loves you 'til the end of time

Do it do it do it oh baby

That's all I wanted

But sometimes love can be mistaken for a crime

That's all I wanted

Just to see my baby's blue eyes shine

This time I think that my lover understands me

(understands me)

If we have faith in each other then we can be strong baby

I will be your father figure

Put your tiny hand in mine

My baby

I will be your preacher teacherAnything you have in mind

I will be your father figure

I have had enough of crime

I will be the one who loves you 'til the end of time

If you are the desert I'll be the sea

If you ever hunger hunger for me

Whatever you ask for that's what I'll be

So when you remember the ones who have liedWho said that they cared but then laughed as you criedBeautiful darling don't think of me...

Because all I ever wanted

It's in your eyes baby-baby
And love can't lie no
Greet me with the eyes of a child
My love is always telling me so
(heaven is a kiss and a smile)
Just hold on hold on
Won't let you go my baby
I will be your father figure
Put your tiny hand in mine
I will be your preacher teacher
Anything you have in mine baby

I will be your father figureI have had enough of crimeSo I am gonna love you 'til the end of time

I will be your father
I will be your...
I will be your preacher
(I'll be your daddy)
I'll be your daddy
W-h-o-a

I will be the one who loves you 'til the end of time...
