

# Back to You

John Mayer

Back to you  
It always comes around, back to you  
I tried to forget you, I tried to stay away  
But it's too late Over you  
I'm never over, over you  
Something about you  
It's just the way you move  
The way you move me Yeahhhh I'm so good at forgetting  
And I quit every game I play  
But forgive me, love  
I can't turn and walk away  
Back to you  
It always comes around, back to you  
I walk with your shadow  
I'm sleeping in my bed  
With your silhouette Yeahhhh, should have smiled in that picture  
If it's the last that I'll see of you  
It's the least that you  
Could not do Leave the light on  
I'll never give up on you  
Leave the light on  
For me too, for me too  
For me too  
Back to me  
I know that it comes back to me  
Doesn't it scare you  
Your will is not as strong  
As it used to be
