

# Thinking About You

Whitney Houston

I can't get you off my mind  
No matter what I do  
I'm wishing you were here, with me  
It makes no difference  
I only think of you  
And I living out my fantasy  
Midnight, I run to you  
Being such a love sick fool  
It might be pouring rain  
Still the same, nothings changed  
All and all I feel no shame  
I'm just your fool insane  
(I'm just your fool)  
I keep thinking about you baby  
So tell me what you're gonna do  
I thinking about you  
All I wanna do is Like a river of wine, intoxicate my mind  
I'm thinking about you  
That's what I wanna do  
Pick me up, let's go down  
I'm thinking about it too  
I'm thinking about you  
Ya got me thinking about you  
I'm thinking about it too  
Make believing is a game  
That's not for me to play  
Don't you need me just like I need you  
Just like I need you  
There's no reason  
Just my heart that makes me feel this way  
And I hope you feel the same way too  
Midnight, I run to you  
Being such a love sick fool  
It might be pouring rain  
Still the same, nothings changed  
All and all I feel no shame  
I'm just your fool insane  
(I'm just your fool)  
I keep thinking about you baby  
So tell me what you're gonna do  
I keep thinking about you  
All I wanna do is Like a river of wine, intoxicate my mind  
I'm thinking about you  
That's what I wanna do  
Pick me up, let's go down

I'm thinking about it too (yea, yea. yea, yea, yea, yea, yea, yea, yeah)  
I'm thinking about you  
Got me thinking about you  
I'm thinking about it too It might be pouring in the rain  
But like a fool insane  
I run I run I run I run to you  
I'm just a lovesick fool  
I've got this thing for you  
I'm just a I'm just a love sick fool I'm just a fool oh I keep thinking about you baby  
So tell me what you're gonna do  
Got me thinking about you  
All I wanna do is Like a river of wine, intoxicate my mind  
I'm thinking about you  
That's what I wanna do  
Pick me up, let's go down  
I'm thinking about it too (yea, yea. yea, yea, yea, yea, yea, yea, yeah)  
I'm thinking about you  
Got me thinking about you  
I'm thinking about it too Like a river of wine, intoxicate my mind  
I'm thinking about you  
That's what I wanna do  
Pick me up, let's go down  
I'm thinking about it too (yea, yea. yea, yea, yea, yea, yea, yea, yeah)  
I'm thinking about you  
Got me thinking about you  
I'm thinking about it too
