

# If I Told You That I Love You (feat. Wale)

Steve Aoki

Ey, if I (Steve Aoki), if I  
If I told you that I love you  
Ey, if I told you that I love you  
Would you think I'm lyin'?  
Tell you that I love you Niggas that been through it all  
Catch me a body on many a song  
I like a bitch with a body and mind  
I climb in her eyes to get to them draws  
Hot as July on a Wimbledon court  
How 'bout a ride? The windows go up  
Holler or holla?  
Then call the promoter  
Pull up and I go and then turn that bitch up  
Caught me a body in many a club  
Want a Bugatti, I'm spending too much  
Wanna do Molly then holler Ibari  
But trust me you want it you gonna be up  
Handle my business get rid of these boys  
Ask all my haters come gimme some more  
Never was trapping but I got that crack  
And that Bando was jumping like instrument stores  
If I told you that I love you, love you  
Would you think I lied?  
If I told you that I love you  
'Cause I will fuck with you  
If I told you that I love you, love you  
And I tell you that I love you, love you, love you 'Cause I will fuck with you  
'Cause I will fuck with you  
And you, and you, and you, and you  
(I love you, I love you)  
'Cause I will fuck with you  
(I love you, I love you)  
Ey, nigga who's been through it all  
Catch him a body I give him a call  
Catch me somewhere with that positive vibe  
The moon and the sky, I'm stunnin' 'em all  
Trust me Lil youngin' the summer is odd  
Fucking with the power plug of a chord  
Stunting, stunting, stunting, stunting so hard  
Think I'm finna get my body insured, yeah  
Stop being jealous, no, I'm not a killer but I got me a gun, yeah  
I'm shining forever the prodigal son of the diamond I'm from

I'm just a chip from the diamond I'm from  
Got popular young when rapping was fun  
Show off my nigga, go show off my nigga  
You show out enough, they clap and applaud  
If I told you that I love you, love you  
Would you think I lied?  
If I told you that I love you  
'Cause I will fall with you  
If I told you that I love you, love you  
Would you think I lied?  
If I tell you that I love you, love you, love you  
'Cause I will fuck with you  
'Cause I will fuck with you  
And you, and you, and you, and you  
(I love you, I love you)  
'Cause I will fuck with you  
(I love you, I love you)
