

Kamikaze

Eminem

Okay, how do I say this? (fack, fack, fack)
Last year didn't work out so well for
me (fack, fack, fack) (fack last year)
2018, welp (fack, fack) Yeah, I'm a fucking kamikaze crashing into everything
You beat me Islamic Nazi, that means there is no such thing
I've been going for your jugular since Craig G Duck Alert
Wedgie in my underwear, the whole bedsheet and the comforter
Stuck up in my rectal crack, kiss my disrespectful ass
I'll ride through your cul de sac
Window cracked bumpin' your reference tracks
You collab on a referent rap, I have never said his raps
Overstayed my welcome
Stepped in crap and ruined your welcome mat
So spit that shit from the heart, you didn't write like you wrote it
While I T-bagged the microphone 'cause I go nuts on it
Like a fighter jet lined with explosives that'll strike any moment
Headed right at opponents and I'm the fucking pilot that flown it
I'm 'bout to
Smash into everyone, crash into everything
Back and I just begun, "FACK" 2017
Fack, fack on everyone
Fack, fack on everyone
Fack, fack on everyone
I'm a Kamikaze, gonna
Smash into everyone, crash like an F-15
Damage already done, y'all shoulda' let me be
Fack, fack on everyone
Fack, fack on everyone
Fack, fack on everyone
I'm a Kamikaze, gonna
I turned on rap 'cause it made me feel tough when I wasn't
From the moment I heard rap was cussin', I wasn't
Which is why I identify with the guy who I was invented by
Dre's Frankenstein, energized like a nine volt
Ice cold like Snake Eyes, buy some rope on a dice roll
But if the only reason I blow is 'cause I'm white though
Why don't every other white rapper sell what I sold? (ooh)
Kamikaze pilot, I wrote my suicide note
Here come the guys in white coats tryna stop me
'Fore I jump behind the controls and try to fly into foes
'Cause I'm takin' y'all with me when I go cyclone
I don't think this typhoon's letting up any time soon, here I go

Eyes closed, blindfolded, I'm 'bout to Smash into everyone, crash into everything
 Back and I just begun, "FACK" 2017
 Fack, fack on everyone
 Fack, fack on everyone
 Fack, fack on everyone
 I'm a Kamikaze, gonna
 Smash into everyone, crash like an F-15
 Damage already done, y'all shoulda' let me be
 Fack, fack on everyone
 Fack, fack on everyone
 Fack, fack on everyone
 I'm a Kamikaze, gonna Smash
 Kamikaze, kamikaze
 Kamikaze, kamikaze, kami-kamikaze
 Look at what I've done I heard your freestyle on Shade 45, that shit was embarrassing
 There is no way we ever hear that shit again, I guarantee
 That way, that shit was so ass,
 it's something we wouldn't dare re-air it
 Shit's embarrassing, is me rear ending Terrori Bear
 In my therapy chair, my dick is the hair length of Cher
 Each nut is the chair with every naked stare beware
 Lyrically I'm terrible, better get your lyrics prepared
 Richard Ramirez is here
 Serially killing every therapist, is it- Wait, wait, got the eeriest feeling something evil is lurking
 I'm no conspiracy theorist but something here is afoot
 Oh yeah, it's my dick
 Get the measurement stick (what)
 Twelve inches of wood
 Wait, but I've been going for your jugular like Craig G Duck Alert
 And I've come to pay respects 'cause if you sleep, you're fucked
 Other words, you get laid to rest
 And I hope your butt is hurt
 Put me on a track, I go cray on it like a color book You got some views, but you're still below
 me
 Mine are higher so when you compare our views, you get overlooked
 And I don't sang the hook unless I wrote the hook
 And now I'm just freestylin' in the vocal booth
 And you know I've always spoke the truth
 You lyin' through your teeth so much, you broke a tooth
 And it ain't somethin' I need a phone to do
 When I say I can't wait 'til I get ahold of you
 And I don't know what I'm s'posed to do
 Line up the rappers, take my pic like a photo shoot
