

# Come In from the Rain

Cheryl Lynn

Well, hello there  
Good old friend of mine  
You've been reaching for yourself  
For such a long time  
There's so much to say  
No need to explain  
Just an open door for you  
To come in from the rain It's a long road  
When you're on your own  
And someone like you  
Will always choose the long way home  
There's no right or wrong  
I'm not here to blame  
I just want to be the one  
Who keeps you from the rain  
'Keeps you from the rain And it looks like sunny skies  
Know that I know you're alright  
Time has left us older and wiser  
And I know I am  
(Yooooooooou)'Cause I think of you  
As an old cliché  
But it doesn't matter  
'Cause I love you anyway  
Why don't you come in from the rain  
I want you here  
Why don't you come in from the rain  
I need you here  
(Ahh Yeah Yeah Ooou)  
It doesn't matter  
It doesn't matter  
It doesn't matter, anyway  
Come in from the rain  
Come in from the rain  
Why don't you, why don't you  
Why don't you, why don't you  
Why don't you, why don't you  
Why don't you, Come Why don't you come in from the rain  
I need you here Why don't you, why don't you  
Why don't you, why don't you  
Why don't you, why don't you  
Why don't you, Come in from
