

# Luck

## American Authors

How can we make amends when we said all we said?  
I call and you don't pick up  
How can I say instead that I hope it's for the best?  
I won't, and I won't give up I'm sorry, Mother  
I know I let you down  
I'm sorry for how I up and left this town How can we push aside all the bad and make it right  
Now you got me all choked up  
I'm sorry, brother  
I know I let you down  
I'm sorry for how I up and left this town  
Please just listen cause I don't ask for much  
I am my own man  
I make my own luck  
How can we both pick sides when we know nothing's right?  
Open up the door that's shut  
How can I have my pride and drink away my soul tonight?  
Sorrow's filling up my cup I'm sorry, Father  
I know I let you down  
I'm sorry for how I up and left this town  
Please just listen cause I don't ask for much  
I am my own man  
I make my own luck Well some birds aren't meant to be caged  
And I just can't see the light of day Please forgive me  
I can't remember  
Please forgive me  
no one is calling  
Please forgive me  
I can't believe it  
No...  
Gonna pick myself up, so I don't let this ever grow  
Even if I mess up, I won't let this ever go  
It's hard to stay  
It's hard to stay  
Cause some birds aren't meant to be caged How can I set us free?  
I'm what you taught me to be  
Shouldn't that be enough?  
It's time that we make amends  
Let's forget the things we said  
You know we were all just talk I'm sorry, Mother  
I know I let you down  
I'm sorry, Father  
I didn't stick around

Please just listen cause I don't ask for much  
I am my own man  
I make my own luck  
Please just listen cause I don't ask for much  
Just like my old man, I make my own luck And some birds are meant to be caged  
And some just won't see the light of day  
Please forgive me  
I can't remember  
Please forgive me  
No one is coming  
Please forgive me  
I can't believe it  
No...  
Gonna pick myself up, so I don't let this ever grow  
Even if I mess up, I won't let this ever go  
It's hard to stay  
It's hard to stay  
Cause some birds aren't meant to be caged  
Please just listen cause I don't ask for much  
I am my own man  
I make my own luck  
Please just listen cause I don't ask for much  
I am my own man  
I make my own luck
