

# Wild and Free

**John Anderson**

I've always thought enough was plenty  
Never had to worry about having too many  
I don't know why, but it don't worry me I've always lived kinda close to the bone  
Wherever I hung my hat was my home  
At least I'm always where I want to be I'm still wild and I'm still free  
Too many places I wanna see  
Rambling is my destiny  
Yeah, I'm wild and free  
I don't have much but I'm proud to say  
I had a lot of friends along the way  
Living the good life almost every day Yeah, I'm still wild and I'm still free  
Too many places I wanna see  
Rambling is my destiny  
Yeah, I'm wild and free  
I'm still wild and I'm still free  
Ain't no ties a-holding me  
Rambling is my destiny  
Yeah, I'm wild and free Rambling is my destiny  
Yeah, I'm wild and free
