It Doesn't Often Snow at Christmas

Pet Shop Boys

Christmas is not all it's cracked up to be Families fighting around a plastic tree Nothing on the TV that you'd want to see And it's hardly ever snowing The way it's meant to be Like in White Christmas year after year Bing Crosby, Bing Crosby, Are you listening to me?It doesn't often snow at Christmas the way it's meant to do But I'll still have a glow at Christmas because I'll be with you The Christmas message was long ago lost Now it's all about shopping and how much things cost It's meant to be goodwill as well as synthetic fun and what is this year's festive number one It doesn't often snow at Christmas the way it's meant to do But I'll still have a glow at Christmas because I'll be with you
