## I'm Ready

## Sam Smith & Demi Lovato

```
It's a cold night in my bed in the heat of the summer
                        I've been waiting patiently for a beautiful lover
                                 He's not a cheater, a believer
                             He's a warm, warm blooded achiever
   It's a lonely night in my bed in the heat of the summer, uhhIt's so hard when you're with
                                           someone
                             Your heart breaks and it ain't no fun
                     But I gotta take that risk tonightI'm ready, I'm ready
                                     I'm ready, I'm ready
