GOT IT GOOD (feat. Craig David)

KAYTRANADA

Don't worry 'bout the tag Go and throw it in the bag Cause I got it good You're the best I ever had Baby you know that you're bad And I got it good I'm certain that you're worth itYou deserve it girl Don't worry 'bout the tag Go and throw it in the bag Cause I got it good Tell me do you remember when we started? Remember me and you creepin 'round late at night And yeah you held me down when I had nothing And that's the reason I must spoil you now that I can My hand meets your hand Our love isn't plasticBut here's my creditWhy not go max it? The fact is there's no stress Baby I got this Treat you like the queen in Buckingham Palace, yeahDon't worry 'bout the tagGo and throw it in the bag Cause I got it good You're the best I ever had Baby you know that you're bad And I got it good I'm certain that you're worth it You deserve it girl Don't worry 'bout the tag Go and throw it in the bag Cause I got it good Got no hands on my watch I don't clock the time cause When it comes to me and you girl our time is priceless There's no need for hesitation when you're swiping I wanna show appreciation so I buy it Buy it, go try it, girl if you like it We used to say you're cool with Nikes The type that's quite rare One of a kind And do anything I can to please my highness yeah Don't worry 'bout the tag Go and throw it in the bag Cause I got it good

You're the best I ever had Baby you know that you're bad And I got it good I'm certain that you're worth it You deserve it girl Don't worry 'bout the tag Go and throw it in the bag Cause I got it good He got it He, he got it good He got it He, he got it good You know that I got you baby, you know I got you baby girl, yeah I got you girl, ooh yeah, I got it No, no No, no, no, no, no...
