

Defying Gravity

Jesse Winchester

Winchester I live on a big round ball
I never do dream I may fall
And even one day if I do
Well, I'll jump off and smile back at you. I don't even know where we are
They tell you we're circling a star
Well, I'll take their word, I don't know
But I'm dizzy so it may be so.
I'm riding a big round ball
I never do dream I may fall
And even the high must lay low
But when I do fall I'll be glad to go
Yeah, when I do fall I'll be glad to go.
