

# Zero

## Chris Brown

I thought we were great  
You took your love back and ran us off track  
I counted all the days  
'Til you would come back, how stupid was that Now you're missing what we used to have  
Guess the vodka brought the feeling back  
I was caught up in the aftermath But now... if you really wanna know  
Ask how many nights I've been thinking of you...  
zero, zero  
Gave a hundred percent but all I got from you...  
zero, zero  
I thought you were the one (ayee), then you turn and run (ayee)  
Found somebody better, like I never met ya  
Ask how many nights I've been thinking of you...  
zero, zero  
(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)  
That's how many fucks I give (oh) Wake up with a dime  
Get up to no good, better than you could  
Go out, free our minds  
Like you never would, never understood Now you're missing what we used to have  
You went creeping around my Instagram  
I was caught up in the aftermath But now... If you really wanna know  
Ask how many nights I've been thinking of you...  
zero, zero  
Gave a hundred percent but all I got from you...  
zero, zero  
I thought you were the one (ayee), then you turn and run (ayee)  
Found somebody better, like I never met ya  
Ask how many nights I've been thinking of you...  
zero, zero  
(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)  
That's how many fucks I give Broke back then but a nigga rich now  
Got dollars, got euros, got yen, I got pounds  
Zeros, zero  
Calling me up cause your bank check bounced  
My new chick one hundred, and she got her own dinero  
Zeros  
You think I'm thinking about your ass? Ask how many nights I've been thinking of you...  
zero, zero  
Gave a hundred percent but all I got from you...  
zero, zero  
I thought you were the one (ayee), then you turned around (ayee)  
Found somebody better, like I never met ya (oooo yeah)

Ask how many nights I've been thinking of you...

zero, zero

(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)

That's how many fucks I give

(Zero, zero, zero, zero, zero, zero, zero, zero, zero, zero, zero)

That's how many fucks I give
