

# Merry Go Round

Keith Sweat

(Merry go round and round)  
Ho, ho, no  
I'm sick and tired of goin' 'round  
(Merry go round and round)  
Why you wanna do this to me, baby  
Hey'no, no, no, no, no, no, no, no, noIt must feel good to you, baby  
To hurt me over and over again, yeah, baby  
And it must feel good to you, baby  
To see me cry, yeah, girlYou say you will, you say you won't  
Baby, why don't you make up your mind  
You say you do, you say you don't  
Baby, baby, please be kind  
You love me now, and then you don't  
Baby, why do you keep playin' these games  
I feel like I'm on a merry go round  
Goin' round and round and round and round and round(Merry go round and round)  
(Merry go round and round)  
(Merry go round and round)  
Round and round and round and round I go, baby  
Where I'm gonna stop, baby, only you knowDidn't I give you everything, baby  
You ever wanted, girl, yes, I did  
And all I ever wanted to do, baby  
Is satisfy your world, yeah, yeah, baby, babyI gave you this, I gave you that  
But it didn't mean anything  
When you love someone right  
You don't expect them to do you wrong, baby, baby, babe  
Why did I do to deserve this pain, girl  
You just keep doin' this same thing over and over again  
I feel like I'm on a merry go round  
Goin' round and around and around and around and around and around(Merry go round and  
round)  
(Merry go round and round)  
(Merry go round and round) Merry go round, baby  
Round and round and round and round I go, baby  
Where I'm gonna stop, baby, only you know(Merry go round and round) Merry, merry go round  
(Merry go round and round) I just can't understand it, baby  
(Merry go round and round)  
Why do you wanna treat me like you do, girl, I don't know, baby  
(Merry go round and round) Everything you wanted I always gave you, girl  
(Merry go round and round) You didn't have to want for nothin'  
You didn't have to ask for nothin', baby  
(Merry go round and round) I tried to be the best that I could be, baby

(Merry go round and round) And now you treat me like I'm nobody, nothin', baby  
 (Merry go round and round) Life is, life is so, so unfair If you wanna play, circus, girl, I don't  
 wanna be your clown, girl  
 (Merry go round and round) No, n-no, no, no, no, no, no, no, no, no, baby  
 I don't want the sideshow to begin, 'cause I don't want you to let me in  
 (Merry go round and round)  
 Baby, sometimes people don't understand what they have  
 Until it's gone  
 Some people don't know somebody loves them until it's too late, baby  
 You better, you better wake up, girl, and realize what you got, babe  
 You better understand that, you better understand that you're my woman  
 I'm your man, babe  
 I want only you, baby (Merry go round and round)  
 And I'll do anything you want me to do, babe, oh, yes, I will, babe  
 All you gotta do is ask me, baby, baby, baby  
 If you're good to me  
 (Merry go round and round)  
 Then I know I'll be good to you if you love me, baby, yeah  
 Then I'll surely, surely, surely love you, baby, baby, babe Understand what I feel  
 You've got to understand, my love is so real  
 Oh, baby (Merry go round and round), oh, oh, baby, baby  
 Oh, baby, baby (Merry go round and round)  
 Darlin', darlin', darlin', oh, sugar, babe  
 Darlin', baby, baby, baby (Merry go round and round)  
 Oh, round (Merry go round and round), babe  
 (Merry go round and round)  
 Oh, you got to let me know, baby, if I'm wastin' my time  
 (Merry go round and round) If I am, baby, if I am, baby, if I am, baby  
 Then I'll leave you alone, girl, yes, I will  
 (Merry go round and round)  
 Merry go round and round and round and round and round
