## everything i wanted

## **Billie Eilish**

I had a dream I got everything I wanted Not what you'd thinkAnd if I'm being honest It might've been a nightmare To anyone who might careThought I could fly (Fly) So I stepped off the Golden, hmm Nobody cried Nobody even noticed I saw them standing right there Kinda thought they might careI had a dream I got everything I wanted But when I wake up, I see You with me And you say "As long as I'm here, no one can hurt you" Don't wanna lie here, but you can learn to If I could change the way that you see yourself You wouldn't wonder why here They don't deserve youI tried to scream But my head was underwater They called me weak Like I'm not just somebody's daughter Could've been a nightmare But it felt like they were right thereAnd it feels like yesterday was a year ago But I don't wanna let anybody know 'Cause everybody wants something from me now And I don't wanna let 'em down I had a dream I got everything I wanted But when I wake up, I see You with meAnd you say As long as I'm here, no one can hurt you Don't wanna lie here, but you can learn to If I could change the way that you see yourself You wouldn't wonder why here They don't deserve youIf I knew it all then, would I do it again? Would I do it again? If they knew what they said would go straight to my head What would they say instead? If I knew it all then, would I do it again? Would I do it again? If they knew what they said would go straight to my head

What would they say instead?
