

Make Up (feat. Ava Max) [Acoustic]

Vice & Jason Derulo

[Intro: Jason Derulo]

Come here girl

Vice (Ha-ha, yeah, yeah, yeah)[Verse 1: Jason Derulo]

Uh, so tired of the back and forth

Walk out and I slam that door

Go looking for someone new

But there's nothing better than sex with you

Hell naw, now we can't be friends

We ain't got all the benefits

Never been a jealous dude

But who the hell is that texting you?

[Pre-Chorus: Jason Derulo, Ava Max]

I'm feeling like this is the opposite of love

But we know opposites attract

I want ya, bad

It's so dysfunctional between the two of us

You tell me this'll never last

You want me, back[Chorus: Jason Derulo]

Girl, we should go our separate ways (Yeah)

Just so that we can make up (Oh)

I'll keep making the same mistakes, yeah

Just so that we can make up

Just so that we can make up

[Verse 2: Jason Derulo, Ava Max, Both]

Pick up when I hit your line

Break up, then I call you mine

Never been a lonely girl

But let me know I'm the only girl (You're the only girl)

Too quick with the clap-back (Clap-back)

Love your attitude

Leave me like I'm right-back (Right back)

Like ya always do[Pre-Chorus: Jason Derulo, Ava Max]

I'm feeling like this is the opposite of love

But we know opposites attract

I want ya, bad

It's so dysfunctional between the two of us

You tell me this'll never last

You want me, back[Chorus: Jason Derulo, Ava Max, Both]

Boy, (Talk to me) we should go our separate ways, yeah (Slow down girl)

Just so that we can make up (Oh)

I'll keep making the same mistakes, yeah

Just so that we can make up (Sheesh)

Just so that we can make up[Breakdown: Jason Derulo, Ava Max]
O-o-oh babe (Derulo)
(Yo, yo) I want ya ba-a-a-ack
Girl, boy, girl, boy
You want me ba-a-a-ack[Chorus: Jason Derulo, Ava Max, Both]
Girl, we should go our separate ways, yeah
Just so that we can make up (Oh)
I'll keep making the same mistakes, yeah
Just so that we can make up
Just so that we can make up
