## Emmure

We are unstoppable  
We are unbreakableHow much more proof  
Do you want  
You can't fuck with us!  
You can't fuck with us!We are unstoppableHow much more proof do you want? (Do you  
want!?)  
How much more proof do you want? (Do you want!?)  
How much more proof do you want? (Do you want!?)  
How much more proof do you want? (Do you want!?)  
We are unstoppable  
We are unbreakable
