

Pepperpot

Sean Paul

Are you with me, Baby!
I wanna know I wanna know
My girl...Try to tell you that I love you babygirl
But it's all in vain
Try to tell you that I be there for you
When you call my name
The very little thing I try to do, it go cause you pain
Then i myt as well leave you girl and don't come back again
Cause you kno I can't pretend
I tell you that I give you love straight to di end
But badmind a cut wi off, them don't want wi cah wi spend(?)
They dont understand it, from my heart...
Babygirl you know this from de start
Well any which spot(path?) you walk you got me caught, you a di top
My PEPPERPOT
Babygirl I put you at the top
Well any which spot you walk you got me caught, you a di top
My PEPPERPOT
Girl I'm givin you the best of meAnd babygirl a you deserve the best indeedNuff a them a try fi
cut my speed
And that just keeps depressing me
But nothing's gonna break my stride
And babygirl a let me tell you this you are my pride
If I don't get the chance to treat you right
My thugs willing thief my life
Have you ever buck a woman and you feel so close?That you can't do without a thing bout her
de most
Family and friend dem nuh stop from appose
Its like water in a rose that never will grow
Time after time me a try prove my love
Cah the bond that me feel got to grief from up above
None a them nuh waan fi see
No dem mek me waan fi grief
They dont waan believe it, its from my heart...
Babygirl you know this from de startWell any which spot(path?) you walk you got me caught,
you a di top
My PEPPERPOTBabygirl I put you at the top
Well any which spot you walk you got me caught, you a di top
My PEPPERPOT
Yeeaaah...Girl I wanna know
Are you with me?... baby!
And I wanna know

Can you feel me?, lady! Well I wanna know
Are you with me?... baby!
Then dont listen none a them fools
Cause they don't understand
Try to tell you that I love you babygirl But it's all in vain
Try to tell you that I be there for you
When you call my name
The very(?) little thing I try to do, it go (?)
cause you pain In de mud is where leave you girl and don't come back again
Cause you kno I can't pretend
And babygirl this is driving me insane
Bad mind a cut wi off, them don't want wi cah wi spend(?)
They dont understand it, from my heart...
Babygirl you know this from de start Well any which spot(path?) you walk you got me caught,
you a di top
My PEPPERPOT
Babygirl I put you at the top
Well any which spot you walk you got me caught, you a di top
My PEPPERPOT
Babygirl you know this from de start Well any which spot(path?) you walk you got me caught,
you a di top
My PEPPERPOT
Babygirl I put you at the top
Well any which spot you walk you got me caught, you a di top
My PEPPERPOT
Babygirl you know this from de start
Well any which spot(path?) you walk you got me caught, you a di top
My PEPPERPOT
Babygirl I put you at the top
Well any which spot you walk you got me caught, you a di top
My PEPPERPOT
