

# Ordinary Girl

## Hannah Montana

Uh, oh, oh, yeah, mmm  
La, da, daDon't get me wrong, I love who I am  
I don't wanna be ungrateful  
It probably sounds strange  
I really love the role I play  
The songs I sing, but with all the fameThe things that seem so simple  
Suddenly, it's so far out of reach  
Wish that they could see that underneath  
I'm just an ordinary girlSometimes I'm lazy, I get bored  
I get scared, I feel ignored  
I feel happy, I get silly  
I choke on my own words  
I make wishes, I have dreams  
And I still want to believe  
Anything can happen in this world  
For an ordinary girl, like you, like me  
For an ordinary girl, like you, like meHow are you?  
Hello, goodbye  
One day here, one day there  
And again it's time to go  
Miss Popular always on the road  
Put my best foot forward  
Gotta get on with the showStrike a pose for the front cover of a magazine  
Every where I arrive, I get high fives  
They pay me larger than life (yeah)  
I'm just an ordinary girl  
Sometimes I'm lazy, I get bored  
I get scared, I feel ignored (yeah)  
I feel happy, I get silly  
I choke on my own wordsI make wishes, I have dreams  
And I still want to believe  
Anything can happen in this world  
For an ordinary girlSo give it everything or nothing at all  
Get back on your feet when  
You stumble and fall  
A little luck can go a long way  
So don't you worry about what people say  
Who knows when the wind may blow  
For an ordinary girl (mmm)  
I'm just an ordinary girlSometimes I'm lazy, I get bored  
I get scared, I feel ignored  
I feel happy, I get silly

I choke on my own words I make wishes, I have dreams  
And I still want to believe  
Anything can happen in this world  
For an ordinary girl, like you, like me (yeah) For an ordinary girl, like you, like me  
For an ordinary girl (mmm)  
For an ordinary girl, like me, like you
