You (Brillz Remix)

[Galantis](#)

Hey
What's your name?
Hey
What's your name?
Cause I-I-I need to know
Cause I-I-I need to know
I've been high and I've been low
Far beyond and far below
Never seen you before
If I die before I wake
Promise me you'll remember me tomorrow
Cause I'll remember
You-u-u-u
I'll remember
You-u-u-u
I'll remember
You-u-u-u
I'll remember
You-u-u-u
I'll remember
You-u-u-u
You-u-u-u
Hey
What's your name?
Hey
What's your name?
Cause I-I-I need to know
Cause I-I-I need to know
I've been high and I've been low
Far beyond and far below
Never seen you before
If I die before I wake
Promise me you'll remember me tomorrow
I've been high and I've been low
Far beyond and far below
Never seen you before
If I die before I wake
Promise me you'll remember me tomorrow
Cause, cause, cause
Cause, cause, cause
Cause...
I'll remember

You-u-u-u
I'll remember
You-u-u-u
I'll remember
You-u-u-u
