Wicked Games

The Weeknd

I left my girl back home
I don't love her no more
And she'll never fucking know that
These fucking eyes that I'm staring at
Let me see that assLook at all this cash

And I emptied out my cards, too

Now I'm fucking leaning on thatBring your love, baby, I could bring my shameBring the drugs, baby, I could bring my pain

I got my heart right hereI got my scars right here Bring the cups, baby, I could bring the drank

Bring your body, baby, I could bring you fame And that's my motherfucking words, too

Just let me motherfucking love youListen, ma, I'll give you all I got

Get me off of this, I need confidence in myself

Listen, ma, I'll give you all of me

Give me all of it, I need all of it to myself

So tell me you love me

(Only for tonight, only for tonight) Even though you don't love me

Just tell me vou love me

(I'll give you what I need, I'll give you all of me)

Even though you don't love meLet me see you dance

I love to watch you dance

Take you down another level

Get you dancing with the Devil

Take a shot of this

But I'm warning you

I'm on that shit that you can't smell, baby

So, put down your perfumeBring your love, baby, I could bring my shameBring the drugs,

baby, I could bring my pain

I got my heart right here

I got my scars right here

Bring the cups, baby, I could bring the drank

Bring your body, baby, I could bring you fame

And that's my motherfucking words, too

So let me motherfucking love youListen, ma, I'll give you all I got

Get me off of this, I need confidence in myself

Listen, ma, I'll give you all of me

Give me all of it, I need all of it to myself

So tell me you love me

(Only for tonight, only for tonight)

Even though you don't love me

Just tell me you love me

(I'll give you what I need, I'll give you all of me) Even though you don't love me
