

# Touch

## Little Mix

You and I and nobody else  
Feeling feelings I've never felt  
The way you got me under your spell  
Don't you keep it all to yourself So won't you take it?  
I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation, don't you keep it all to yourself Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To knock me off of my feet, all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh  
Photograph with no T-shirt on  
Why you making me wait so long?  
(Wait so long)  
I promise to keep this a secret, I'll never tell  
But don't you keep it all to yourself So won't you take it?  
I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation, don't you keep it all to yourself  
(To yourself)  
Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh (Just a touch)  
Just a touch of your love, oh (Just a touch)  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh (Just a touch)  
Just a touch of your love, oh (Just a touch)  
Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh

Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, hey And now my whole week, my whole week is golden  
Can you see me glowing? That's how I feel  
And I'm not afraid to fade into emotions  
'Cause I know that this could be something real Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh (Just a touch)  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh (Only a touch of your love)  
Just a touch of your love, oh (Want a touch of your)  
Just a touch of your love is enough  
To knock me off of my feet, all week  
Just a touch of your love (Just a touch)  
Just a touch of your love (Just a touch)  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, hey!  
Just a touch of your love, hey!  
Just a touch of your love
