

Everything Zen

Bush

There must be something we can eat
Maybe find another lover
Should I fly to Los Angeles
Find my asshole brother Mickey Mouse has grown up a cow
Dave's on sale again
We kissy kiss in the rear view
We're so bored
You're to blame Try to see it once my way
Everything zen
Everything zen
I don't think so
Raindogs howl for the century
A million dollars a steak
As you search for your demi-god
And you fake with a saint
There's no sex in your violence
There's no sex in your violence Try to see it once my way
Everything zen
Everything zen
I don't think so
Everything zen
Everything zen I don't believe that Elvis is dead
I don't believe that Elvis is dead
I don't believe that Elvis is, Elvis is
There's no sex in your violence
There's no sex in your violence
There's no sex in your violence
There's no sex in your violence Try to see it once my way
Everything zen
Everything zen
I don't think so Try to see it once my way
Everything zen
Everything zen
I don't think so Zen
Zen
I don't think so
I don't think so
I don't think so
