Bush

There must be something we can eat Maybe find another lover Should I fly to Los Angeles Find my asshole brotherMickey Mouse has grown up a cow Dave's on sale again We kissy kiss in the rear view We're so bored You're to blameTry to see it once my way Everything zen Everything zen I don't think so Raindogs howl for the century A million dollars a steak As you search for your demi-god And you fake with a saint There's no sex in your violence There's no sex in your violenceTry to see it once my way Everything zen Everything zen I don't think so Everything zen Everything zenI don't believe that Elvis is dead I don't believe that Elvis is dead I don't believe that Elvis is, Elvis is There's no sex in your violence There's no sex in your violence There's no sex in your violence There's no sex in your violenceTry to see it once my way Everything zen Everything zen I don't think soTry to see it once my way Everything zen Everything zen I don't think soZen Zen I don't think so I don't think so I don't think so Zen
