

# More Than This

## One Direction

I'm broken, do you hear me?  
I'm blinded  
'Cause you are everything I see I'm dancing, alone  
I'm praying  
That your heart will just turn around And as I walk up to your door  
My head turns to face the floor  
'Cause I can't look you in the eyes and say When he opens his arms and holds you close tonight  
It just won't feel right  
'Cause I can love you more than this, yeah When he lays you down, I might just die inside  
It just don't feel right  
'Cause I can love you more than this  
Can love you more than this  
If I'm louder, would you see me?  
Would you lay down  
In my arms and rescue me? 'Cause we are the same  
You saved me  
But when you leave it's gone again And then I see you on the street  
In his arms, I get weak  
My body feels I'm on my knees, praying When he opens his arms and holds you close tonight  
It just won't feel right  
'Cause I can love you more than this, yeah When he lays you down, I might just die inside  
It just don't feel right  
'Cause I can love you more than this, yeah I've never had the words to say  
But now I'm asking you to stay  
For a little while inside my arms  
And as you close your eyes tonight  
I pray that you will see the light  
That's shining from the stars above And I say When he opens his arms and holds you close  
tonight  
It just won't feel right  
'Cause I can love you more than this  
'Cause I can love you more than this When he lays you down, I might just die inside  
It just don't feel right  
'Cause I can love you more than this, yeah When he opens his arms and holds you close tonight  
It just won't feel right  
'Cause I can love you more than this, yeah When he lays you down, I might just die inside  
It just don't feel right  
'Cause I can love you more than this  
Can love you more than this
