

# Wake Up

Wiz Khalifa

Wake up, wake up, I don't wanna wake up, wake up.  
...Wake up, wake up, I don't wanna wake up, wake up.  
Get on straight never switch lane on my job every day 'cause it's hard not to see  
I came up in a big way and I hardly ever sleep well it's like a dream

...

I don't wanna wake up from, don't wanna wake up...  
I don't wanna wake up from, don't wanna wake up from  
I don't wanna wake up from  
Ohh, long days, But I know hard work pays  
So all the money getting long to  
And the kush smell strong too  
That's that good any chick with me need a bong too  
One thing I know is go hard young make fake niggas know this  
Blowing money 'cause you die if you don't live  
That's how you know I was fly when I wrote this  
First class tax or maybe I'm the first 'cause it's my first class swag

...

Used to say that I was trippin' so a nigga bought expensive ass bags  
...Get on straight never switch lane on my job every day 'cause it's hard not to see

...

I came up in a big way and I hardly ever sleep well it's like a dream

...

I don't wanna wake up from, don't wanna wake up  
I don't wanna wake up from, don't wanna wake up fromI don't wanna wake up from  
Go hard young, go hard let you in the game better play your part  
Go hard young, go hard and if you win the game as well place smart

...

'Cause I've Seen Niggas Fall Like Paper, Get Money Friends Turn Haters  
Get Money Major League Turn Major, Get Money White People Turn Neighbors

...

Meet A Girl Teach Her How To Roll Papers, six months three whips all player...  
Run my town like the mayor I run my town bitch I'm like the mayor

...

Get on straight never switch lane on my job every day 'cause it's hard not to see  
I came up in a big way and I hardly ever sleep well it's like a dream

...

I don't wanna wake up from, don't wanna wake up  
I don't wanna wake up from, don't wanna wake up from

...

I don't wanna wake up from  
I can take you up higher than you ever know  
Let you dance what you want hear me wax hear me walk let go, hell no

...  
Let you lean back inhale smoke  
Get on straight never switch lane on my job every day 'cause it's hard not to see

...  
I came up in a big way and I hardly ever sleep well it's like a dream

...  
I don't wanna wake up from, don't wanna wake up from

...  
I don't wanna wake up from, don't wanna wake up from  
Get on straight never switch lane on my job every day 'cause it's hard not to see

...  
I came up in a big way and I hardly ever sleep well it's like a dream

I don't wanna wake up from, don't wanna wake up from

I don't wanna wake up from, don't wanna wake up from
