## **Colors**

## **Halsey**

Your little brother never tells you but he loves you so
You said your mother only smiled on her TV show
You're only happy when your sorry head is filled with dope
I hope you make it to the day you're 28 years oldYou're dripping like a saturated sunrise
You're spilling like an overflowing sink

You're ripped at every edge but you're a masterpiece And now you're tearing through the pages and the inkEverything is blue

His pills, his hands, his jeans

And now I'm covered in the colors

Pulled apart at the seams

And it's blue

And it's blue

Everything is grey

His hair, his smoke, his dreams

And now he's so devoid of color

He don't know what it means

And he's blue

And he's blueYou were a vision in the morning when the light came through

I know I've only felt religion when I've lied with you

You said you'll never be forgiven 'til your boys are too

And I'm still waking every morning but it's not with youYou're dripping like a saturated sunrise

You're spilling like an overflowing sink

You're ripped at every edge but you're a masterpiece

And now you're tearing through the pages and the ink

Everything is blue

His pills, his hands, his jeans

And now I'm covered in the colors

Pulled apart at the seams

And it's blue

And it's blueEverything is grey

His hair, his smoke, his dreams

And now he's so devoid of color

He don't know what it means

And he's blue

And he's blueYou were red and you liked me 'cause I was blue

You touched me and suddenly I was a lilac sky

And you decided purple just wasn't for youEverything is blue

His pills, his hands, his jeans

And now I'm covered in the colors

Pulled apart at the seams

And it's blue

And it's blueEverything is grey

His hair, his smoke, his dreams
And now he's so devoid of color
He don't know what it means
And he's blue
And he's blueEverything is blue
Everything is blue
Everything is blue
Everything is blue
