

My Head Hurts

Wavves

i can't concentrate
my brain's damaged over you
im saying stupid things
i bet she doesnt know my name
but my head hurts
and without you its worse
i want you to take
shoot me deeply into your veins
i want you to come breathe me deeply into your lungs
but my head hurts
and without you its worse
suffocating on my own
youre killing me
i hope you know
i dont exist
i dont exist
i dont exist
i dont exist
but my head hurts
and without you its worse
suffocating on my own
youre killing me
i hope you know
i hope you know
i hope you know
i hope you know
i hope you know
i hope you know
i hope you know
i hope you know
i hope you know
