

# Get Confused

## Fischerspooner

Do I like to have confusion?  
(Yes I do)  
Am I... Am I in any danger?  
(Yes I am)  
Do I like whats happening?  
(Yes I do)  
And can I deal with it directly?  
(Yes I can)I take the trouble  
I take the time  
I get the feeling that I'm doing whats right  
I may be reckless  
May be a fool  
But I get excited when I get confused  
Will I have to start all over  
(Yes I will)  
Had I a right to make those statements  
(Yes I have)  
Shall I meet with opposition?  
Did I justify my actions?  
Have I forgotten what the question was?  
(Yes I have)I take the trouble  
I take the time  
I get the feeling that I'm doing whats right  
I may be reckless  
May be a fool  
But I get excited when I get confused  
I take the trouble  
I take the time  
I get the feeling that I'm doing whats right  
I may be reckless  
May be a fool  
But I get excited when I get confusedHave I forgotten what the question was?Have I forgotten  
what the question was?When I when I when I when I get confused  
When I when I when I when I get confused
