

# Thought I Knew You (feat. The Weeknd)

Nicki Minaj

I-I-I-I thought I knew you  
Ha-ha-ha I guess I didn't  
I-I-I-I thought I knew you  
But baby I guess I didn't  
I-I-I thought you was down for real  
Thought you would stick around for real  
I-I-I-I-I-I This was truly love  
This was truly love  
You confused my love  
You gave it all (all)  
Our love (our love)  
Not to lose my love (not to lose my love), yeah  
Honestly I think this shit excites you  
You love drama, it excites you  
I-I liked you  
I-I-I-I don't think I'm talking to the right you I-I-I-I thought I knew you (thought I knew you,  
girl)  
I-I-I-I guess I didn't  
I-I-I-I thought I knew you (thought I knew you)  
But baby I guess I didn't  
I-I-I thought you was down for real (down for real)  
Thought you would stick around for real (for real)  
I-I-I-I-I-I Tell me why you let me come inside for real  
Nevermind, you were never mine for real  
Hit my line, I'ma hit decline for real  
I ain't trying for a second time for real  
Honestly, I think this shit excites you (excites you)  
All that drama that you're tied to (oh yeah)  
You play the victim every time too  
That shit came back and hit you times two  
I-I-I-I thought I knew you (thought I knew ya baby)  
Ha-ha-ha I guess I didn't (guess I didn't girl)  
I-I-I-I thought I knew you (oh yeah)  
But baby I guess I didn't  
I-I-I thought you was down for real (down for real)  
Thought you would stick around for real ('round for real)  
I-I-I-I-I-I You broke my heart and it never fixed  
I just want them dead presidents  
I just want them dead presidents  
I just want them dead presidents  
You broke my heart and it never fixed  
I just want them dead presidents

I just want them dead presidents  
Yeah, I just want them dead presidents  
Dead-dead presidents  
Presidents-dents presidents  
Presidents-dents presidents  
Presidents-dents presidents  
Presidents-dents presidents
