

# Birthday Party

AJR

This hospital's got lots of crying kids  
A minute ago, I did not exist  
It's nice to finally meet my relatives I bet it's always gonna stay this fun  
I bet it's easy staying away from drugs  
I bet our parents always stay in love  
Always stay in love Me, my  
Oh, what a life  
So lean on my people  
Gon' be stepping in time (wow)  
Me, my  
Oh, what a life  
So lean on my people  
Gon' be stepping in time  
So thank you  
For coming to my birthday party  
I'm one minute old today  
And everything is going great  
Thank you  
For coming to my birthday party  
I'm one minute old today  
And my minute's been going great  
And I hope it stays that way I bet this Instagram's a load of fun  
It's best to show the best of everyone  
I bet it never bites us in the bum  
I bet my ignorance is always bliss  
Except ignoring pigment in our skin  
I bet my country's nice to immigrants  
And that's just how it is  
Me, my  
Oh, what a life  
So lean on my people  
Gon' be stepping in time (wow)  
Me, my  
Oh, what a life  
So lean on my people  
Gon' be stepping in time So thank you  
For coming to my birthday party  
I'm one minute old today  
And everything is going great  
Thank you  
For coming to my birthday party  
I'm one minute old today

And my minute's been going great  
And I hope it stays that way  
In heaven, everything is fine  
In heaven, everything is fine  
You got your good things  
And I've got mine  
Heaven, everything is fine  
In heaven, everything is fine  
You got your good things  
And I've got mine  
Thank you (thank you)  
For coming to my birthday party  
I'm one minute old today (one minute old today)  
And everything is going great (I've got mine)  
Thank you (thank you)  
For coming to my birthday party  
I'm one minute old today (one minute old today)  
And my minute's been going great  
(And I hope it stays that way)  
This hospital's got lots of crying kids  
A minute ago, I did not exist  
It's nice to finally meet my relatives  
I bet I'll never outgrow all my friends  
I bet I'll see our female president  
Yeah, I can tell this life will be a cinch  
And that's just how it is
