

Bout That

Bhad Bhabie

Bitch I'm 'bout that
Bitch I'm 'bout that
Bitch I'm 'bout that shit
Bitch I'm 'bout that
You a scary hoe, but you won't fight me though (never)
You a copycat, but you ain't like me hoe
Bitch I'm 'bout that
Bitch I'm 'bout that
Bitch I'm 'bout that shit, bitch
Bitch I'm 'bout that
You a scary hoe, but you won't fight me though
You a copycat, but you ain't like me hoe (scary bitch)
Came out with no earrings on
I'll pop the house, my shoes off
In my driveway with that tough talk (ya talkin' shit)
Chase ya ass, slice ya ass, [?] fuck it
I'mma run up on that bitch, Bentley truck
I'mma run over that bitch, come at her raw
Ain't got no [?] for bitches
I'm on her head
I snatch a wig off you bitches (cause you bald)
This that pay-per-view
If you fight me hoe, then you get hella views
I'mma beat yo' ass, then put up an ad
Then I'm postin' that, that's a hundred racks
Bitch I'm 'bout that
Bitch I'm 'bout that
Bitch I'm 'bout that shit
Bitch I'm 'bout that
You a scary hoe, but you won't fight me though (never)
You a copycat, but you ain't like me hoe
Bitch I'm 'bout that
Bitch I'm 'bout that
Bitch I'm 'bout that shit, bitch
Bitch I'm 'bout that
You a scary hoe, but you won't fight me though
You a copycat, but you ain't like me hoe (scary bitch)
