

# Something About the Way You Look Tonight

Elton John

There was a time I was everything and nothing all in one  
When you found me I was feeling like a cloud across the sun  
I need to tell you how you light up every second of the day  
But in the moonlight you just shine like a beacon on the bay  
And I can't explain but it's something about the way you look tonight  
Takes my breath away it's that feeling I get about you, deep inside  
And I can't describe but it's something about the way you look tonight  
Takes my breath away the way you look tonight With you smile, you pull the deepest secrets  
from my heart  
In all honesty I'm speechless and I don't know where to start  
And I can't explain but it's something about the way you look tonight  
Takes my breath away it's that feeling I get about you, deep inside  
And I can't describe but it's something about the way you look tonight  
Takes my breath away the way you look tonight  
And I can't explain but it's something about the way you look tonight  
Oh takes my breath away it's that feeling I get about you, deep inside And I can't describe but  
it's something about the way you look tonight  
Takes my breath away the way you look tonight  
The way you look tonight  
The way you look tonight  
The way you look tonight
