

Run Away (feat. Frankie J)

Bubba Sparxxx & Frankie J

[CHORUS:]

I wanna runaway
I wanna runaway with you
I wanna runaway
I wanna runaway
(Come on, baby)(Let's go)
Cause baby you're my everything

[VERSE 1:]

I don't need this
All I need is us
Come on girl
Let's put it in the wind
I don't care nothing about no one
If they loved us they should of did it (Should of did it when)
They had a chance
But now the dance is over
And fo' sho' it's highway time (ohh)
Let the top down, we can't stop now
Explain the past baby I ain't trying
I ain't lying when I say we done came of age or things done changed
Time to spread our wings, fly to better things
Pack your suitcase, today's the day
Don't tell your mama
Don't tell your sister (Don't tell your mama, baby)
It'll only complicate the issue
We'll mail them a box of tissue
The only one that loves you is right here with you (oooo)
Girl don't ever look back
Our destiny awaits us
In whatever place we park the brakes
I'll work my hands to the bone
If that's what it takes
To give us everything our folks never had
I'm prepared for that (yeahh)
It might take a while but
But I'm gonna make you smile forever
I said a prayer for that
And I know he's listening
At least in this one
If he never heard none of the others (oh oh)
This is me and you
And I'm gonna see it through

From this highway to the end of the covers, baby (ohh oo)

[CHORUS:]

I wanna runaway

I wanna runaway with you

I wanna runaway

I wanna runaway with you

Cause baby you're my everything

I wanna runaway

I wanna runaway with you

I wanna runaway {baby baby baby baby}

I wanna runaway with you (nuh uh uh) (my baby)

Cause baby you're my everything

[VERSE 2:]

We got off the exit in Waco

Frankie J was on the radio

I asked her was she afraid to go all the way with this she'd later know

I said, "Baby I just need to know. (ohh)

If you ain't down we can turn it around.

You're happiness is my happiness yeah yeah)

And that's the only thing that's concerning me now.

Just hurt me now."

She said, "Will you please just let me talk for once?"(Let me talk for once)

And then all at once she went in the house she was trying to prevent this all from Us(Yeah yeah)

Not at all because she didn't love me

And only me

It's just that she had withheld one vital piece of info

She looked up at me

With both eyes full of tears

She said, "Do you remember that day at the clinic?

I went in with the doctor and told you I did it.(Remember baby)

I wasn't able to go through with it."

"No you didnt.

How could you?

Wait a minute,

That makes you what?

Three months and some change.

Well baby doll that just ain't enough

To derail us.

Cause see that just means there's three of us.

But answer this

At what point did you think that this topic should be discussed?

I don't know whether to cry or smile.

But somehow I'm doing both.

But this changes nothing

I got two babies

And I solemnly swear to be true to both, baby."(oh oh oh ooo)

[CHORUS:]

I wanna runaway

I wanna runaway with you

I wanna runaway
I wanna runaway with you
Cause baby you're my everything
I wanna runaway
I wanna runaway with you
I wanna runaway
I wanna runaway with you
Cause baby you're my everything
[FRANKIE J:]
I wanna run
Wanna runaway
There's nothing they can do or say to make us stay
I wanna run
Wanna runaway
There's nothing they can do
There's nothing they can say
I wanna run
Wanna run away(oh oh)
I wanna run
Wanna runaway
I wanna runaway baby
[CHORUS:]
I wanna runaway
I wanna runaway with you
I wanna runaway
I wanna runaway with you
Cause baby you're my everything
I wanna runaway
