Bow Wow

When I was 8, I was rhymin' not back yard game playin'
Watchin' Snoop anxiously awaitin' for my chance man
Hot and cocky wit it 'cause I kno' that I am man
I'm goin' down in history like American Band Stand I stay fresh to def like the neighborhood

I stay on the top 'cause I keep comin' wit dough man
You steady watchin' stealin' but there ain't no hope man
You dealin' wit somethin' bigger than the US Open And ain't no jokin'
Fresh like Fatlases and Dukey ropes and I keep on smokin'
Young but I'm ready so that means I'm strokin'
Look at me now days girl a dawg is pokin' Addicted to it, JD say I got it bad
18 nigga makin' more than ya dad see
They think they doin' it but I'ma out do 'em if
Ya kno' somebody like that pull up and say to 'em
Ye ain't ridin', ye ain't ridin'
Ye ain't bumpin' like I'm bumpin', ye ain't sayin' nuttin' homie

From records to movies now a TV show man
Anything given to me I'm gon' rep man
Big house, big cars what you expect man Just to get a glimpse girls breakin' they neck man
Blinded by the light glistenin' in off the Breitling

Straight T-shirt, sneakers I ain't tryin' to go prep Like these lil R 'n' B groups that need my help
Wish they had my style wish they had my rep
