

Heart Like a Wheel

Eric Church

I've got a heart like a wheel
Feel like I got to roll
Oh, heart like a wheel
I told you so And I've been loving you for so long
You are the one
Heart so real
I love you so Well, I can give what I take
And you know I want to give you my love
Babe I ain't faking
You know I want to give you my love
Come on and roll It takes two to make love
It takes love to make a family real
I got to know what you need
I got to know what you really feel You know it's such a pity
If you're going to get the summertime blues
Lovers everywhere are pairing off two by twos
I've got a heart like a wheel
I love you so
I've got a heart like a wheel
I've got to roll
