

# If You're Leaving (feat. Sydnie)

## Le Youth

I don't care how far you go from me, I know you're still my baby  
We got something I can't explain  
Still it kills to watch you walk away and take the heart you gave me  
But deep down, I know we'll never change So if you're leaving  
I'm not gonna stop you  
I'm not gonna stop you  
You know, you know, you know, you know  
You know, you know, you know, you know In my mind, I know I have to let you go and set you  
free, boy  
'Cause that's how you know it's meant to be  
I don't want to give up and lose you for a single minute  
But in time, you'll come back home to me  
So if you're leaving  
I'm not gonna stop you  
I'm not gonna stop you  
You know, you know, you know, you know  
You know, you know, you know, you know  
I'm not gonna stop you
