

# Rocketeer (feat. Ryan Tedder)

## Far East Movement & Ryan Tedder

Here we go, come with me  
There's a world out there that we should see  
Take my hand, close your eyes  
With you right here, I'm a rocketeer Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Up, up, here we go, go Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Where we stop, nobody knows, knows Yeah, where we go, we don't need roads  
And where we stop, nobody knows  
To the stars, if you really want it  
Got, got a jet-pack with your name on it  
Above the clouds in the atmosphere  
Could say the words and we outta here  
Hold my hand if you're feeling scared  
We flying up, up, outta here Here we go, come with me  
There's a world out there that we should see  
Take my hand, close your eyes  
With you right here, I'm a rocketeer Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Up, up, here we go, go Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Where we stop, nobody knows, knows  
Baby, we can stay fly like a G6  
Shop the streets of Tokyo, get you fly kicks  
Girl, you always on mind, got my head up in the sky  
And I'm never looking down, feeling priceless Yeah, where we're at, only few have known  
We're on to the next level, Super Mario  
I hope this works out, cardio  
'Til then let's fly, Geronimo Here we go, come with me  
There's a world out there that we should see  
Take my hand, close your eyes  
With you right here, I'm a rocketeer, let's go Yo, now I ain't never been to space before  
But I ain't never see a face like yours  
You make me feel like I could touch the planets  
You want the moon, girl, watch me grab it  
See, I ain't never seen a star this close  
You got me stuck by the way you glow  
I'm like oh, oh, oh, oh

I'm like oh, oh, oh, oh  
Here we go, come with me  
There's a world out there that we should see  
Take my hand, close your eyes  
With you right here, I'm a rocketeer  
Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Up, up, here we go, go  
Let's fly  
(Fly, fly, fly, fly)  
Up, up, here we go, go  
Where we stop, nobody knows, knows
