

# Better to Know

## Tyrese

Ohhh

gotta believe its betta to knowlistenVerse One:

I know you havin other friends,  
am im wit chu,  
ain't gotta keep it on the low 'cause im wit chu,  
I told ya girl, I understand,  
aint gon be trippin on no other man,(girl)  
You be actin like we all up love,  
and baby,  
I be knowin we aint all up in love,  
and thats cool,  
and you can keep them otha niggaz,  
and thats cool,  
as long as i can hit it,

Chorus:

It's better to know,  
Don't front like it's all about me,  
'cause it's better to know,  
Be straight up, if thats how you wanna be,  
Yeah its better to know,  
you got yours and I got mine,  
But whenever we roll,  
I'll still treat you like my wife,  
Ain't no shame in the game, what we doin is the same  
girl our thing won't change

It's just better to know,Verse Two:

You can still push the coup if you wanna,  
You can swipe my plat card if you wanna,  
Them wifey things i still own,  
what you do on the side is your business 'cause your grown,  
You be actin like we all up love,

and baby,

I be knowin we aint all up in love,  
and thats cool, and you can keep them otha niggaz,  
and thats cool,  
as long as i can hit it,Chorus:Don't front like it's all about me,

'cause it's better to know,  
Be straight up, if thats how you wanna be,  
Yeah its better to know,  
you got yours and I got mine,  
But whenever we roll,  
I'll still treat you like my wife,

Ain't no shame in the game, what we doin is the same  
girl our thing won't change  
It's just better to know, Hook:  
You can keep it real, its cool with me,  
ya i know you be all out there doin big things,  
aint you aint gotta hide (girls its alright)  
Im still gon make good love to you every other night,  
Girl there aint no pressure,  
ohh there's only pleasure,  
'cause the way you put it down girl I aint mad at you,  
so we gon let this ride,  
you aint gotta lie,  
tell me 'cause its better.to.know.  
ohhh Don't front like it's all about me,  
'cause it's better to know,  
Be straight up, if thats how you wanna be,  
Yeah its better to know,  
you got yours and I got mine,  
But whenever we roll,  
I'll still treat you like my wife,  
Ain't no shame in the game, what we doin is the same  
girl our thing won't change  
It's just better to know, better, better, better ta know  
soo much better  
(til fades)
